

We, the undersigned, are outraged by the House of Delegates' decision to follow the lead of gubernatorial candidate Bob McDonnell and vote to send \$125 million of our federal tax dollars back to Washington.

With nearly 300,000 Virginians out of work - and more people joining their ranks every day through no fault of their own - it's clear that Virginia families are hurting.

We demand that the General Assembly go back to Richmond, fix this mistake, and do what's right for Virginians. It's time for our elected leaders to stand up for Virginia and vote to accept the economic relief we deserve.
